

Assembly Instructions

READ THROUGH THESE INSTRUCTIONS PRIOR TO STARTING ASSEMBLY.

Document Instructions

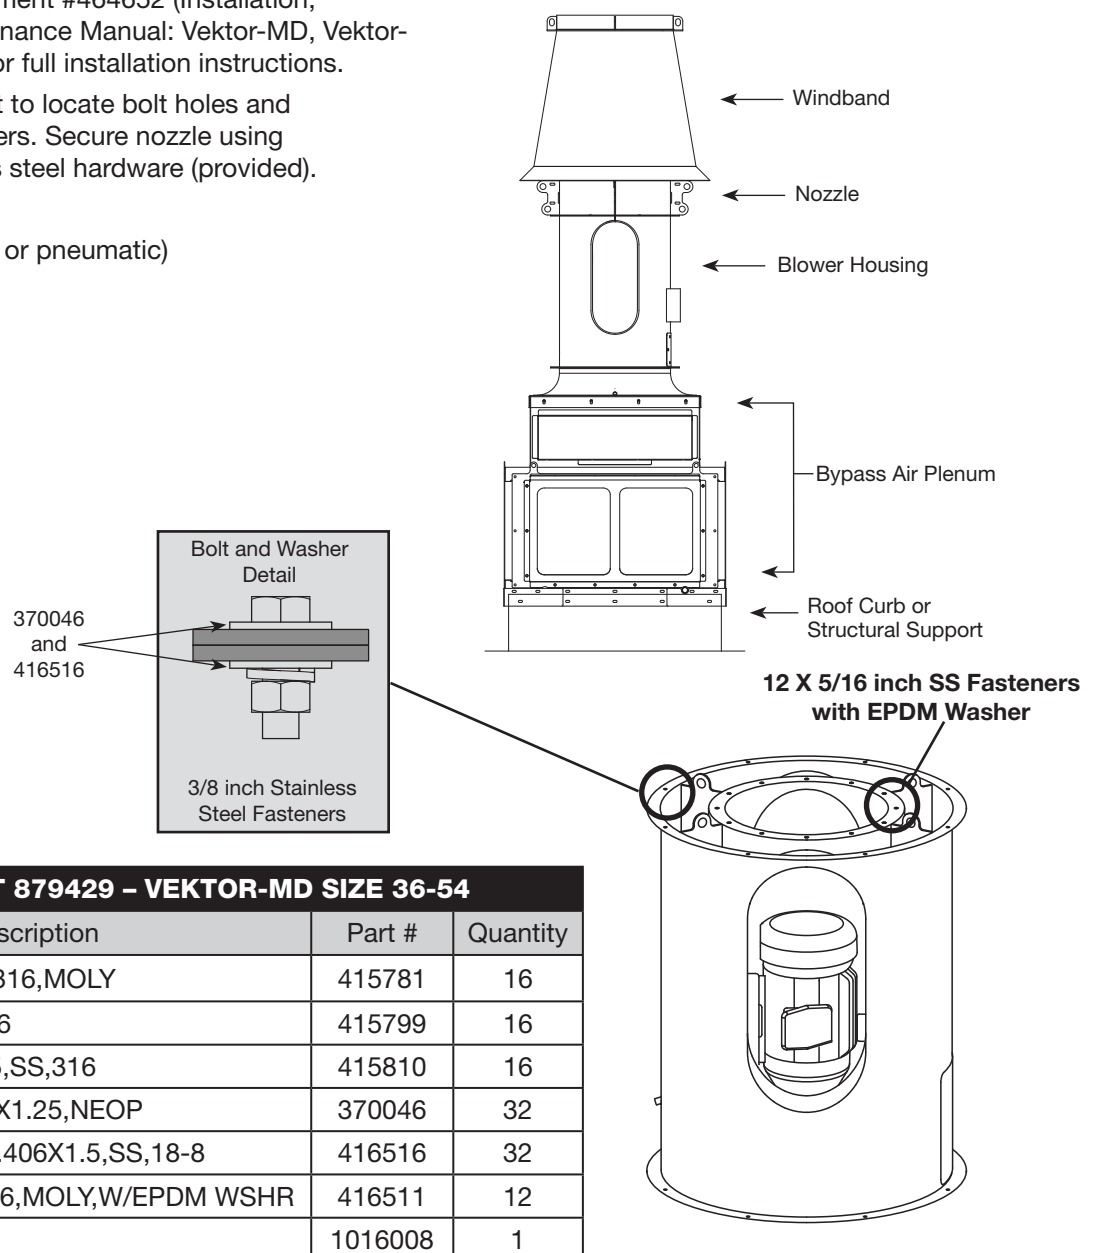

Use Document #1016008 with fastener kit 879429. This kit is to be used with the Vektor-MD model. The fasteners contained within the kit are to be used to attach the Vektor-MD dilution style nozzle to the fan body. Use the images located within this document to locate the position of the fasteners on the unit.

Assembly Instructions

- See Greenheck Document #464652 (Installation, Operation and Maintenance Manual: Vektor-MD, Vektor-MH and Vektor-MS) for full installation instructions.
- See image to the right to locate bolt holes and corresponding fasteners. Secure nozzle using moly-coated stainless steel hardware (provided).

Tools Required

- Cordless drill (electric or pneumatic)
- 9/16 inch nut setter
- 9/16 inch wrench
- 1/2 inch nut setter
